

JUNE 16-17, 2018

EXHIBITOR APPLICATION

General Information: The 2018 Fremont Fair will take place June 16-17th in Seattle, WA.

Space Assignments: Booth location is typically determined a minimum of two weeks before the event once all accepted applications are processed based on the logistical needs of each activation and event flow. However, if you need your location assigned earlier we will happily accommodate your timeframe. All space assignments will depend on the nature of sponsor activation. The festival will not assign direct competition next to each other and will do its best to give all sponsors the best placement due to their measures of success.

Permits: It is the sponsor's responsibility to acquire all needed city and state permits for on-site activation. Fremont Fair will do its best to aid in this process. On-site activation, as well as, activation layout are a great indicator of permits needed.

Additional Fees: There are additional charges for rented tents, tables, chairs, linens, electricity, lighting, water and in some cases waste. Please be forthcoming in your on-site needs so the Fremont Fair can best process your application and you are aware of all costs associated with event participation.

Ground Surface and Weather: Fremont Fair is an outdoor event with some locations on concrete or grass. There are locations that are not level. Please be sure to indicate whether your on-site activation has specific needs in this case. Regardless of ground surface, we do require that all tents have a 25lb weight (no stakes) on each leg for safety in any windy weather. Fremont Fair will take place rain or shine, please be prepared for all kinds of weather.

Load In/Load Out: Load in for the festival is typically Friday evening, June 15th but will depend on the size, location and specific needs of the sponsor, and could be Thursday night, June 14th. Load out for the event will be Sunday night, June 17th, after Fremont Fair closes.
